

## LIBERTY FC PLAYER/FAMILY 1 YEAR CONTRACT

Fall 2022 Season – Winter 2022/2023 - Spring 2023 Season

LIBERTY FC is a premier soccer club located in northeast, Ohio. Our objective is to develop club members and help them maximize their potential as players, young people and future role models. We strive to provide a quality soccer organization with quality players and coaches so that our club will be competitive in the state of Ohio. They will learn the importance of DESIRE, DEDICATION and DISCIPLINE as they have FUN learning to play “The Beautiful Game”.

**Commitment and Attendance of Liberty FC Players** - “Without commitment, nothing gets done” is our club motto. We understand that everyone will at one time or another have a conflict with training & game schedules. It is our expectation that each player will do their best to commit to all training sessions & games during a season. **We prefer that you make your Liberty team a priority during the competitive season.** If this is not possible, you will need to contact your team manager by e-mail at least 72 hours prior to missing a game. When games or practices are missed, it is up to the discretion of the coach to not start that player or limit their playing time.

**Liberty FC Coaches** - Liberty FC coaches will prepare & provide an organized approach to training. Coaches will work to develop the “whole” soccer player by providing age-appropriate technical & tactical training. Liberty coaches WILL NOT allow players to play “just” the positions they want at the expense of the team/club to satisfy a player or parent.

**Liberty FC Game Day** - Game schedules and directions to all the fields are available on the club’s website. Each player needs to be at the soccer field 30 minutes before a Casa League game and 45 minutes before an NPL/GLA game. Please make sure to bring ALL your LIBERTY FC gear and proper equipment to every game. Players that show up late for warm-ups may not start and if they show up after the game starts, are not guaranteed playing time in the first half.

**Liberty FC Tournaments** - Each LIBERTY FC team will participate in at least one tournament per session. If there is enough player interest it is possible to do an extra tournament. Any tournaments participated in will have an additional cost. **It is IMPORTANT FOR THE PARENTS TO RESPOND BY THE GIVEN DEADLINE if your child can play or not.** Rosters and money are due from the club in advance for a tournament and are not refunded.

**Liberty FC Role of Parents** - The role of each parent is extremely important for all young athletes. The coaches ask for parents to stay a fair distance away from the fields during training. **We also ask that coaches not to be approached by parents at trainings or games either before or afterwards concerning their player.** This is a time for both the coaches and players to be focused on the task at hand. In addition, it is the responsibility of the parents to get their players to practices and games on time. We encourage parents, family and friends to attend games and applaud good play. There is, however, to be **NO COACHING BY PARENTS** from the sidelines during games or trainings.

**Liberty FC Cost to Participate** - The cost to participate and join LIBERTY FC varies depending on the age of the player and the team they are on. All fees include coaching expenses, administration, league fees. The fees do not include transportation to and from trainings, games or tournaments.

Players that are invited to join our club are asked to make a full year commitment and not just a specific session commitment. We will NOT hold roster positions. If you choose to sit out a session, your position will be available for another player. Once you have accepted a roster spot the FEES ARE NOT REFUNDABLE. This includes in the event of an injury or because you change your mind.

It is the PARENT’S RESPONSIBILITY to notify Tavi Muresan if you choose to not participate for a session **BEFORE THE SESSION PAYMENT DEADLINE.** There is a **\$200.00 fee to be released from Liberty FC if you choose to leave the club at any point during the 2022-23 season.** You will not be released from the current playing league to play for another club until this release fee has been paid. This fee is in addition to the NON-REFUNDABLE season fees on page 2.

Payments can be made online at Liberty FC website, mailing in a check or give to your team manager. **PLEASE DO NOT GIVE COACHES ANY PAYMENTS AT TRAININGS OR GAMES.** Payments are due for each season per the deadlines as noted. Please note, players will not be placed on a team roster until a contract is signed and payment is received.
